

Create

Rabbit, rabbit, rabbit!

Challenge

How many different rabbits can you make out of recycling materials?

You could try these 3 options of paper, foam/plastic cup or paper plate or make up your own!

Resources

Paper, Colouring pencils or felt tips, scissors, glue stick, cotton wool or pom-pom for the nose

Top tip: Instead of wobbly eyes you can draw them or use black buttons

- a) [Make a paper bunny here.](#)
- b) [Make a cup bunny here](#)
- c) Make a plate bunny [here.](#)

Extra

Can you write instructions how you made the paper bunny?

Research: When did the tradition of Easter Bunny begin and why?

We'd love to see all the great learning your children are doing at home. A way to share this with our community is to take a photo of your child's work and tag us at [q1ehomelearning](#) - this is on either [Twitter](#) or [Instagram](#)
