

# Great Grandpa

From Noah, Freddie, Martha Ogle

Our Granny sent us copies of these pictures for the VE day museum. Our Great Grandpa was in the army and fought in WW2. Grandpa was born during the war. Our pictures show him during the war (he's second from the left) in uniform and him on return from the war with my grandpa.

Great Grandpa was called Lt Col Arthur James Barker and he was in the East Yorkshire regiment and fought in Somalia, Ethiopia, the Middle East, Burma and Malaya. He wrote lots of books about the war afterwards.
