

## My Great, great Grandfather

A story from Victor Bacher, Y2bi Belleville Wix.

My great great grand father. It story, of WW2.

This is the story of my great great grant grand bother. He was building a succept radio and one day he gots trapped by the french police and he went to priron and the judger said "common we are goig to kill you in germany". There was one a croplane with documents and the acroplane with the documents got shot-down.

When he arrived to germany they

didn't know what to do. 50

they put him into a prinoner

camp. Her excaped from digging

a tonel then he joined the

franch army of liberation. He

Was decorated as a war heero'
