Challenge

Can you really paint a chick just with a fork?

Why not make and send an Easter card to a family member you haven't seen for a while?

Check out how to [here](#).

Extra

Can you make several of these chicks, cut them out and make an Easter paper chain?
What came first...the chicken or the egg?
Take a picture of your picture or card and ask an adult to upload it to the q1e twitter page.

We'd love to see all the great learning your children are doing at home. A way to share this with our community is to take a photo of your child's work - this is on either [Twitter](#) or [Instagram](#).
