

Create

Create a family portrait gallery

Challenge

Make a portrait of each member of your family.

It could be of their face or of them doing their favourite activity at home. Or of the whole family doing something together

Resources

You could use any pencils, paints or take their photographs.

Extra

- You could investigate different portrait styles before you begin...
- Share you best portraits with someone in your family or with us!

We'd love to see all the great learning your children are doing at home.
A way to share this with our community is to take a photo of your child's work
and tag us at [q1homelearning](#) - this is on either [Twitter](#) or [Instagram](#)
