

# Create

## Create a family portrait gallery

### Challenge

Make a portrait of each member of your family.

It could be of their face or of them doing their favourite activity at home. Or of the whole family doing something together

### Resources

You could use any pencils, paints or take their photographs.

### Extra

- You could investigate different portrait styles before you begin...
- Share your best portraits with someone in your family or with us!

We'd love to see all the great learning your children are doing at home. A way to share this with our community is to take a photo of your child's work and tag us at [q1ehomelearning](#) - this is on either [Twitter](#) or [Instagram](#)
