

Reception Curriculum Summer Week 4

Wellbeing	<p>Question: Can you ever be too patient? Activity: Why is it important to have device-free moments? Watch this video and talk about what you think about it Device Free Dinner- Sesame Street</p>
Great Eight	Try the Great Eight Challenges – fun challenges suitable for the whole family! See below.

Here are the curriculum activities for the week. You can do them in any order you choose. Try to do these this week as next week's activity will follow on in each subject.

	Day 1 Activity	Day 2 Activity	Day 3 Activity	Day 4 Activity	Day 5 Activity
Topic	<p>Expressive Arts and Design Making pirate props Can you turn yourself into a pirate? Find items around your house and see if you can turn them into parts of a pirate costume! See my examples to help you. (Support below.)</p> <p>Physical Development Folding paper hats Pirates wear pirate hats! Can you fold some paper into a pirate hat? Look at my example to help you! (Support below.)</p>	<p>Physical Development Walk the plank Imagine you have made the captain angry. You must now 'Walk the plank'! Create a line out of string, tape or chalk. Use your balance to walk across the plank to get to the other side! Can you carry treasure across the plank too? Watch out for the sharks, Don't fall in!</p> <p>Communication and language Message in a bottle Pirates write messages and put them in bottles to keep safe. Think of a message to write? Write it on paper and put it in a bottle! Have a go at tea staining the paper to make it 'pirate paper'.</p>	<p>Understanding The World Pirate Maps Mission! Hide some treasure in your house. Can you draw a pirate map to show your adult where the treasure is? See my maps to help you! (Support below.)</p> <p>Communication and Language Pirate song Listen to the pirate song. Can you learn and sing the pirate song? Can you make up your own verse? Record yourself and share it with your teacher on See Saw!</p>	<p>Expressive Arts and Design Junk Modelling Pirates love treasure chests! Can you make your own treasure chest out of junk modelling? See my treasure chest to help you! (Support below.)</p> <p>Communication and Language Sharing ideas Pirates keep treasure in their treasure chests. What would you keep in your treasure chest? I would love to hear on Seesaw!</p>	<p>Communication and Language Talk like a pirate! Think about what a pirate says "aye captain, Walk the plank"! Can you record some pirate language onto See Saw?</p> <p>PSED Can pirates be good learners? Pirates can be mean and greedy... A pirate has just joined your class, but the pirate isn't very kind to the other children. The pirate always shouts out. Can you teach them the ways of being an excellent learner?</p>
Physical Keep active every day	<p>Explore running Walk/jog/run- practice each for one minute on the spot. How are your arms/legs moving with each? Using 3 items, make a triangle shape to walk/jog/run to each base. Around the triangle = 1 lap. Can you complete 10 laps of each?</p>	<p>Traffic light game Commands: Red light- freeze, Yellow light- 5 star jumps, Green light- pick walk/jog/run. Have a family member say a command, perform the actions. With green light say, "green light jog" or "green light walk". Can you think of another action for yellow light?</p>	<p>Changing direction and speed Set up 6 bases around a room/garden. Write numbers on paper and place by each base. Walk/jog/run on adult command around the bases. Can you change the order of the numbers next to the bases? Does it make it harder to change direction?</p>	<p>Running relay Set up the bowls in a straight line with some distance between them. At starting point, place the 6 "balls". Run and place one ball into a bowl. Continue until all balls are gone. Now return the balls one at a time to the starting point. How long did it take? Repeat and try to beat time.</p>	<p>Sprints Set out a start and finish point. Get an adult to time you. Run as fast as you can to the finish marker. What time did you get? Have a few more goes,, can you beat your time?</p>

Here are some fun challenges suitable for the whole family.

Week 4

1. To talk about	Would you rather be able to fly or breathe underwater?
2. To do	How many squat jumps can you do in a minute? Try and beat your record each day this week.
3. To investigate	Can you hear better with your eyes closed?
4. To find out more about	A mountain or an ocean
5. To design	A gadget to help you with your home learning
6. To learn	How to make different colours Think about primary, secondary and tertiary colours
7. To draw	The ingredients for your favourite meal
8. To create	Colour wheel and come up with your own names for each colour e.g. rust orange, ocean blue

Support and Resources

Day 1 Activity:
