Writing: Reception – Summer 2 week 1

| Day 1 Activity	Day 2 Activity	Day 3 Activity	Day 4 Activity	Day 5 Activity
Plan a story This half term we are going to be travelling all around the world- but we are starting in England! Listen to the story of The Snail Trail -. The snail goes on a great adventure all around a garden. Plan a new adventure for your snail using the story map template- where will they slither to?	**Write a story** Use your story plan from yesterday to write about your snail's adventure. Where do they go? What do they see? What happens to them? You could use positional language like over, under, through and around to make your story extra interesting!	**Write a list** Go on a mini-beast hunt- real or imaginary- like an explorer. You could look in the park, in your garden or in your house! Write a list of what you find or use your imagination to write a list. Don't forget to use your phonics to sound out the names of your creepy crawlies!	**Plan a story** Listen to the story of The Bad-Tempered Ladybird - You are going to think of a story about another character… The Sad Spider. The Sad Spider is very upset but nobody knows why. Draw a story plan to show what happened to make him so sad.	**Write a story** Use your story map from yesterday to write your story about how the spider became so sad. Don't forget finger spaces in between all of your words and full stops at the end of your sentences. You could challenge yourself by using story language in your story. When it's finished you could film yourself reading your story and share it with your teacher.
