## Writing Day 3 - write a response text

### Characters

Zog – Zog is a dragon who goes to school. He likes learning new things but is not always very good at them.

Princess Pearl – Princess Pearl is a brave princess and a friend of Zog's. She is very good at helping people if they are hurt or poorly.

Sir Gadabout the Great – Sir Gadabout the Great is a prince who thinks he must rescue Princess Pearl from the dragons. He loves Princess Pearl and likes to make people better just like she does!

### Setting

Zog is set in and around the woods where Zog lives. We know there is a castle there because Princess Pearl lived in it.

### Recommendation

I really liked this story because it has colourful characters and pictures. I like the way some of the words rhyme. I also really like the book because it is funny when Zog keeps making mistakes. My favourite part is when Zog crashes into the ground every time he tries to fly. I like that Zog has a happy ending. Zog finally gets a gold medal! I would give the book 4 stars!

## Writing Day 4 - plan 3 alternative endings

Ending 1	Ending 2	Ending 3
 <p data-bbox="107 900 495 970">Harry goes back outside. He gets dirty again!</p>		

## Writing day 5 - write an alternative ending

When Harry got out of the bath he looked outside into the garden. It looked so lovely! Harry could see so many muddy puddles on the ground. Harry ran into the garden and jumped as high as he could. He landed in a huge muddy puddle! Harry was really dirty again. He had thick brown mud all over him. Harry's family were so cross with him. They called him Harry the dirty dog again!
