Resource 1

Albert was walking along the cliff path with his Mum and Dad. They were tired from the long walk they had done that day. The sun was setting and it was getting dark. Albert and his parents were a bit worried about how they would get home.

Suddenly, Albert tripped and fell off the cliff!

Luckily, the Cloud Children caught him. The children were young and had big smiles on their faces.

The Cloud Children asked Albert to go on an adventure with them. First, Albert used the colours of the rainbow to paint a beautiful picture. He drew rainbows and butterflies with all of the different colours. Next, Albert and his new friends jumped into a hot air balloon! They went higher and higher until they could see the city below them. Finally, Albert had running races with the Cloud Children. They ran as fast as they could and jumped from cloud to cloud.

Soon, Albert was tired and wanted to go home. He told the Cloud Children he was ready to leave. Albert drifted across the sky on a big fluffy cloud. When he saw his house he jumped down and gently floated back into his bed. He was so happy to be home with his Mum and Dad.
